

EQUAL OPPORTUNITIES MONITORING

WWTW believes that every individual has unique skills, talents, knowledge and insights, which are valuable and important. WWTW make a decision to employ someone upon the requirements of the job and if an individual's blend of skills, experience, qualifications and abilities make them the most suitable candidate.

We do not believe that the candidate's ethnic origin, colour, religion, sex, disability, age, marital status, political or sexual orientation should have any effect upon a person's suitability to work at WWTW.

We ask you to complete the following questionnaire in order to help us track how well we are doing at encouraging a diverse range of people to see WWTW as a potential employer. You can answer as many or as few questions as you wish.

This equal opportunity information will be separated from your application when it is received and will not be seen by the selection panel. All information will be treated in strict confidence and will be destroyed after a maximum of 6 months.
